**TONY GUY** 

Dear Deputy Sheriff Applicant,

The status of your credit is an important part of our hiring process. Debts that have been turned over to a collection agency or have become public record **must be resolved** before we can accept your completed application. A public record is any information contained in a state or county court record, such as bankruptcy, tax lien, monetary judgment, domestic relations or in some cases, accounts that are sent to collections.

We require you request a copy of your credit report and review it to determine if you have public record debts. If it is determined that you have public record debts, you will be **required to provide evidence of your debt resolution**. Please refer to the information below for guidance.

You may obtain a copy of your credit report by calling Equifax at 1-800-685-1111. Listen to the menu and request a copy of your credit under the category of "having been denied credit, employment or insurance..." A credit report will be mailed to your address within forty-eight (48) hours. If you have questions regarding specific accounts listed on the report, please contact Equifax Credit Information Services at the number listed above or on-line at www.equifax.com.

In order to resolve your debt, it is recommended that you contact one of the many organizations that can assist you in resolving your credit issues. An example of a non-profit organization is Consumer Credit Counseling Service (CCCS).

You will be required to sign the credit report authorization form upon the offer of employment.
